Uniforms for Spring Ball

Scott Farnham noted that the Spring baseball pants will be ordered through baseball savings.com, and that Tim O'Keefe would be handling that purchase. Additionally discussed was the notion of having minor league players wear minor league (custom printed) minor league squads, and that majors division wear (custom printed) major league squad names but not sanctioned major league logos, to save money. No decision was reached.

Luon Leech will be involved in the purchase and it was determined that we would need to seat sponsors first to ensure their desired team name is available for them, so as such, the purchase and printing will need to wait till roughly January. Brian Henderson noted thanks to Scott Teter for the idea of the minors and majors uniforms.

End of Fall Celebration

Jon Tongue noted that much of the event will be like last year, such as the bounce house, which will run \$225 for 6 hours. Additionally, we will have a 50/50 raffle booth, and will sell league items such as cups, etc. Scott Farnham asked Kevin Marrs to check with Jason Robbins regarding using the front coolers inside the concession stand for the event to eliminate ice chests and ice for drinks. Kevin Marrs will reach out. The date is set for November 22, 2014 from 9am to 3pm.
